Like an ember caught in the wind

Your love rages on and on
```

Jesus you are all I desire

```
G#m                     E
Whatever it takes I'll do it

Whatever I lose it's worth it
B                     F#
For less and less of me

And more and more of you
